Mission of the International Society for Occupational Science

<http://www.isocccsci.org/>

- The facilitation of a world-wide network of individuals and institutions committed to research and education on occupation and to promoting occupation for health and community development
- ISOS describes occupation broadly as the various everyday activities people do as individuals, in families and with communities to occupy time and bring meaning and purpose to life. Occupations include things people need to, want to and are expected to do

Aims of the International Society for Occupational Science

- Facilitate international collaboration in research on occupation
- Facilitate international collaboration in the development & delivery of occupational science/occupation-based curricula at all levels of education
- Promote occupation for health & community development in policy and practice arenas at local, national and international levels

We would like to hear from you in order to:

- o Assess the need for a world occupational science conference that would advance perspectives on occupation
- o Stimulate globally-informed dialogue from as broad a range of international perspectives as possible
- o Enhance Diversity/Diversité/Diversidad/Diversiteit/多様性

Please share your thoughts on our “todaysmeet” rooms. Please, use a pseudonym and country as nick name (e.g., Ana_Peru).

Collectively shaping a World Occupational Science Meeting

What would ISOS like to achieve today?

Identifying topics of interest within occupational science across various global contexts

Identifier des sujets d'intérêt dans différents contextes mondiaux

Identificar temas de interés en ciencia ocupacional en diferentes contextos globales

Identificeren van onderwerpen van belang binnen occupational science in verschillende globale contexten

地球上の様々な状況で興味のある作業科学の課題を確認する

Determining the need for a world occupational science conference

Déterminer le besoin d'une conférence mondiale sur la science de l'activité humaine

Determinar la necesidad de una conferencia mundial de ciencia ocupacional

Inventariseren van de behoefte aan een wereld occupational science congres

世界作業科学会議の必要性を決定する

Generating ideas about conference structures that would privilege perspectives existing beyond the 'Global North'

Générer des idées sur les structures de conférence qui privilégieraient des perspectives existant au-delà du 'Nord Global'

Generar ideas sobre estructuras que privilegien perspectivas fuera del 'Norte Global'

Het ontwikkelen van ideeën over een inclusieve congres opzet wat betreft perspectieven van buiten de 'Global North'

北半球以外に存在する見方を尊重する会議のあり方を案出する

What are your ideas?

What topics are of interest to you? What topics should be addressed in a global occupational science conference?

Quels sujets vous intéressent? Quels sujets devraient être abordés lors d'une conférence mondiale sur la science de l'activité humaine?

¿Qué temas le resultan interesantes? ¿Qué temas deberían ser abordados en una conferencia mundial de ciencia ocupacional?

Welke onderwerpen zijn voor jou belangrijk? Welke onderwerpen moeten onderdeel zijn van een wereld occupational science congres?

どんな課題に興味がありますか? 世界作業科学会議ではどんな課題を検討すべきでしょう?
